☰ Present	Eve, Mason, Yiran, Diane
👤 Absent	

Agenda

- Happy Valentine's Day for those who celebrate it
- Test & work through the **search** functionality

Notes

- We use SearchView bind with the RecyclerView
- Standup: for more technical details, see daily standup file 02/14

Decisions

- Database implementation will be left for the next sprint, as previously planned. For now, we are just searching through an object locally.

Action items (TODOs)

- [ ] Unit Testing
- [ ] Sort
- [ ] If time allows, add **last modified time** field to sort by that by default
